Register of Darmasanam Village of Kilakulam Valangulam in Parlapanir Palaiy of Sivaganga Zemindary in Madura District.

# Kilaekulam Valangulam.

This is one of the Darmasanam Villages of the Zemindary of Sivaganga. It appears from the English Account of A.D 1815, that the Village was granted by one Rayel Kristna Rao - when it is not known - The is a Zemindary grant. Nothing in unmolested possession of it holders since the date of the grant - This has no Patta - The Village is entered as Darmasanam in all the Accounts - No Tak are about the Area or about the boundaries on the part of the Rayas Vakeel. The boundaries now inserted in the vernacular statement correspond to those in the Account of F. 1246 - Hence the boundaries are confirmed here & the 164 Acres & 15 Cents at present therein are registered here -

II --- The Village consists of 8 equal Vuttus. Nayars enjoyed as shewn in the margin - The Lands were divided permanently - Pongu is paid on the number of Vuttus equally & permanently -

III The persons of 16 are aliences - They plead that they acquired their lands by purchase - The Grant of the Village & the persons N^os 1 & 6 produced before Visitor in A.D 1825 for Arpan 115 from one Vesa Mayan - One bill of sale is on a Cadjan for Janam - The person N^o 1 says that his ancestors purchased the remaining one Velly about Fasley 1230 & that bill of sale was lost.

IV To Vakeel of the persons Nos 2 & 3 of 16 says that the ancestors of his Clients purchased the one Vutty fifteen years ago & that bill of sale was lost -

I The persons Nos 4-5-6-7-8 & 9 of 16 deputed their Vakeel. The Vakeel stated that the ancestors of his Clients purchased these lands long ago & that bill of sale was lost. The Vakeel produced an authenticated copy of a decree of the Court of Madura in suit 498 of 1814 - This shows that Sami Setty, who was father of the Widow No 7 of 16 & also Grandfather of the persons Nos 8 & 9, was plaintiff in the suit - & that Sami Setty was granted Relief of the persons Nos 4-5 & 6 of 16 - This suit was grounded upon the defendant having destroyed a channel running into the fields of the Plff in this Village - It is said in the Decree among other things that the Plff had purchased in this Village 2 Vutties 27/32 of land & 3 Vutties in this Village - The total of the Vutties of the Plff & Defendant is 5 Vutties in this Village - The total of the Vutties of the Plff & Defendant is 5 Vutties - 2 Vutties - It is said in the Decree among other things that the Plff had purchased in this Village 2 Vutties 27/32 of land & 3

VII ... The aforesaid Mirangungan claims 1/2 Vritty from the person No 1 of 16, which was enjoyed in A.D 1825 by the grand father of the latter, by reason that his (claimants) father purchased it in A.D 1824 from one Thiramangan & mortgaged to the grand father of the person No 1 of 16 about 35 years ago- He produced the alleged bill of sale of 1824 which is on a plain sezjan leaf- The Vakil of the person No 1 of 16 pleads that the grand father of the defendant purchased the 1/2 Vritty in A.D 1825 for Rupees 115 from one Vira Mangan, that the Bill of sale is on a stamped sezjan leaf- & that the Vritty is in possession of the family of his client since long- The bill of sale produced by the plaintiff is not trustworthy as it is on a plain sezjan leaf & as there are no witnesses to prove the genuineness of the same- In support of this he has no enjoyment of the land- nor he is able to prove his arguments- The person No 1 has a bill of sale on a stamped sezjan leaf- & he has enjoyment of the land- The shanbhogdars in the Village support the right of the person No 1 of 16- Hence the plaint of the plaintiff is rejected & the he is referred to the Civil Court-

## Valuation

VIII ... Wet lands in this Village depend upon two Tanks of large size- They are in repair- They are fed by Jungle Streams & by the Waste Water of the contiguous Villages- The Tanks are filled annually- Scarcity of Water is not felt generally as the Tanks are sound & as the supplying channels are influential ones- Wet lands are cultivated annually in full some a few are — or 4 or 5 times- The Melvaramdars agree for leased 30 Acres of Wet as cultivated lands & 62 Acres of Dry as waste- Here Dry Waste is said to be cultivated & the Dry & Wet soil is of a superior quality generally- Some of the Wet lands are cultivated annually 2d time- No garden crops are raised- The Village is in flourishing state- The Ryots of the four villages alternately but there is not much waste in Dry lands- The average income of this Village is 1190 Rupees per annum as per statement of the Talaiars of the Village- The contiguous Agrm Villages are Kilangulam- Thalaiyari Kottai & Kadiyapatti- The average Wet assessment of these Villages comes to 6 1/2 Rupees per acre- The average Dry assessment varies from 1/4 to 0 13-0 per acre- The highest rate of Dry assessment is charged for Gulabi which is grown in this Village- In consideration of the fertility of soil & I frame the valuation of the Village as follows- Some of the Dry lands are said Gili to be counted as Wet-

× Half of the Wet area is said to be cultivated 2d time-

Wet- 28 Acres cultivated at 6 1/2 Rupees per acre — 182—
Dry- 60 Acres cultivated at 1 1/4 Rupee per acre — 75—
Dry 32 Acres Waste & at 8 Annas per acre — 16—
