

This Temple has only
this one Village

Register No. 1051

- Kimbukkaranendal -

Erleuchtete Geist 62

This is one of the Villages in the Zemindari of Propangha - This was granted for the support of the Temple of Shri Paravellayyappan Svarnar in ^{the} ~~Shankar~~
~~was~~ ^{Handwritten} ~~Handwritten~~ ^{Andakuzhy}. This is a permanent grant. No Patta - The Temple is efficiently kept up - This Village is entered in all the Accounts in the name
of the Temple But this is omitted from the English Register of A.D. 1885 by some mistake. No Talk area about the Area or about the boundaries on the part of the Rani's
Vakil. The boundaries now inserted in the vernacular statement correspond to those in the Zemindar's settled Account of 1769 -
Hence the boundaries are confirmed here & the 44 Acres & 80 Guntas situated there are registered here.

II The average income of the Village is 80 Rupees as per statement of the Jammun - This is not true - I raise it to Rupees 140 - with reference to the fertility of soil &c

III. The Village & the Temple are under the management of the Rājā -

The Mutt Viceroy Parvaigore, Grand Father of the present N. 3 & father of the present N. 4 of old purchased 6 bottles entered opposite their names in A.D. 1780 & 1782 for Rs. 200 from one Dikkala Rama Sundar. Two bottles are on plain paper & the others were descendants of the C. 4 Grantee & the others - The genuineness of the C. 4 Grantee is entailed - The above transactions proved to be bona fide & enjoyment proved -

Validation

V- - - Well lands in the Village depend upon two Tanks of moderate size. They are in repair. They are feeding single streams of some influence. The Tanks are filled annually. Scarcity of Water is not felt generally. The Melwarum land 40 rods is of good cultivated land in addition to the area of Dry - & 5 1/2 rods of Wet - assessment - These 5 1/2 rods also are said to be fit for cultivation - These lands are not of long water - 1/4 of the Wet lands are said to be cultivated & there is an average - Nayab & Parigal - Lands are not of a very superior quality generally - The Village is in flourishing state - The average income of the Village as per statement of the Melwarum is 160 Rupees per annum - This is not true - The contiguous Agri Villages are Puchali & Karakudi - The average wet assessment of these Villages calculated for a period of 15 years in currency - 11258 & 1270 comes to 5753-85 99 per acre - This is a rate in a fair - The average Dry assessment varies from 5738 to 5793 per acre - In consideration of fertility of soil & I frame the valuation of the Village as follows -

Wet - 40 Acres cultivated once annually in full & partly 2 times	230- - -
at 572- per acre	
Wet 5 1/4 rods waste of a year - new year standing, fit to be cultivated, early at 1 Rupee per acre	572- - -
Dry 1 1/4 Acres cultivated at 72 Rs per acre	23572- - -
