

Koravakulam Kodombangalam.

By the order of the Revenue Officer

I This is one of the villages in the Zamin of Sivaganga. It was granted for the support of the temple of the Subbramanyam Swamy in Tempuram & modern -
 This is a permanent grant. No Patta. The Temple is apparently kept up. The object of the grant is to meet the expenses of the Worshipping the Swamy between 600
 of flock every morning. This object is not in any way frustrated. The Village is entered as Agam in the Account of 1721 & as Devasthanam Village in other Accounts
 of 1722. This is an ancient grant. The Rang. Vakkil says that this should be treated as Agam & that the Patta Rules should not be extended to it.
 On the Zamin-dari Account of 1722, the Village is entered in the name of the Devasthanam. As the Village is entered in all the Accounts since 1722
 in the name of the Devasthanam, & as the Account of 1724, is not the 1st Account of that year, I place the Village as that deducted from the amts.
 upon which the Permanent Settlement was based, & treat as such.

II No Patta was about the brown lands on the bank of the Rang. Vakkil. The boundaries correspond to those in the Account of 1724. Hence the 344 acres &
 28 cents are confirmed here. These lands are situated within the proper limits of the Village.

III Average income of the Village 4,340 Rupees per annum - as per statement of the Vakkil of the Rang. The Village & the church is under the management of
 the Rang.
