

Sheet No. 1380

I. This is one of the villages in the jeemin-vary of Lonyanga - This was granted for the support of the Anniamalai Setty Shetturam in Partiparai. In all the accounts entered in the name of the Shetturam. There is a permanent grant. No Potia. The Rang's Valuel says that no men are fed daily in the Shetturam & that on every "Dwadasi" day which passes once in a fortnight a few men are fed. In examining the Accounts current of the Shetturam of 1726-1727-1728 & 1729- I found that annually a sum of Rupies 30 is spent for feeding men & 100 Rupies are spent for the wages of the Shetturam Subbaray. It is not known what becomes the rest. It is said that the surplus is in the jeemin-vary Treasury. The average income of this Village is 223 Rupies per annum as per statement of the Jumma. It is unnecessary to spend 100 Rupies for the wages of the Shetturam while the object of the grant is fulfilled at a cost of 30 Rupies per annum. Again, as this Village was granted for the support of the Shetturam, men should be fed there daily. I really don't know who is to correct such misdoings in the jeemin-vary. On the whole as the object of the grant is being fulfilled, I register this village here in the name of the Shetturam. I found that the Jumma which are misappropriated by the jeemin-vary are entered in his Accounts as Subbaray Buages.

II. No Talk was about the Area or about the boundaries in the part of the Rang's Valuel. The boundaries now inserted in the vernacular statement correspond to those in the Account of 1726- Hence the boundaries are copied here & the 138 Ann & 86 fantas not noted there are regulated here.

The average income of the village is Rs 2500
