Total	29-15-6	
Average	10	

As the entries in the account of F1211 are not worthy of reliance, I recommend that the average collection of Rupees 10 may be accepted in this settlement -

IV Melavattom is the Village adjoining upon one South. It is in ryoti - It is governed by Pattakarans - one of the Pattakarans of Pannur - The South is settled annually - Dry Pattakarans are - cultivated annually - Soil is of superior quality - The average of the Dry land is 138 Rupees per acre - The assessment of the Pattakar Thirva per acre of the Village is 90 Rupees per acre - as per Zemindar's Account - There are no Rupees - Contiguous to the Division - The average income of Rupees 138 stated as by the Ryots Having Pattakar being gain, to same, is compounded to the value of the Division - The income stated as by the Pattakar is very high - This is deducted from the Zemindar's Income - Account stating 875 Rupees per annum - From the Ryotcums, but also the Zemindar's Income brought to account - whole income about 1272 Rupees - The Pattakar says that the area brought to the Register is correct one - that if any excess is found over & above it, the same will be relinquished to Govt
