1 This is one of the Villages in the zemindary of Sivagunga. This was granted by the Ponnyan in [illegible] 11 for the support of the Temple of [illegible] Sekara Swami in Saitur. This Institution has several other Villages besides this & the names of the same are given in the margin —

The Village is entered in all the Accounts in the name of the Temple. This is a permanent grant. No Pottah — the Temple is efficiently kept up —

No Talk was about the Area or about the boundaries on the part of the Ranyi's Vakeel. The boundaries now inserted in the vernacular statement correspond to those in the Account of F 1244 — Hence the boundaries are confirmed here & the 155 Acres & 30 Cents situated therein are registered here —

II Poruppu of Rupees 318 11 1 is paid in lump on all the Villages belonging to this Temple —

III The average income of the Village as per statement of the Curnum is 546 Rupees per annum — I raise it to 600 Rupees with reference to the fertility of soil &c. On examining the Account Current of the Temple it appears that half of the revenue derived from the endowments of the same is spent annually. The rest must be with the Zemindar. The balance in hand is not known —

IV — The Temple & the emoluments appertaining thereto are under the management of the Ranyi as they were in possession of her predecessors from time immemorial —
