

This is one of the villages in the Zamindari of Sivaganga. This was granted for the support of the Temple of the Tripa Agastiswara Swamy in Rallangudi. This is a permanent grant. No Patta the Temple is officially kept up. No Talk was about the Area or about the boundaries on the part of the Rango Taluk. The boundaries now inserted in the vernacular statement correspond to those in the Account of 1264. Hence the boundaries are confirmed here. The 61 puz + 25 puz situated within the said boundaries are registered here. For Jeed &c are performed annually. The Village is entered in all the accounts in the name of the Temple. The average income of the Village is 500 Ropes for annuities. This is not true. I raise it to 150 Ropes with reference to the fertility of soil &c. The Temple is under the management of the Rango of Sivaganga.
