Register of Devadayam Village of Makkhanam Soritkulam in the Taluq of Pattukottai in the Tanjore Zamindari District

Makkhanam Soritkulam — Lo Boundaries & Lo Rent

This is one of the Villages in the Tanjore Zamindary granted for the support of the Temple of Rama Nadha Swamy & Sri Parvatavardani Ammen. This is a permanent grant. The Pattah. The Temple is efficiently kept up. No Talaiaram about the boundaries on the part of the Rayar's Vakeel. The boundaries now inserted in the verumaulam stitlam compound those in the Account of Fl 1264. Bundle 106 Num 33 with which the old limits are confirmed here. The Village is entered in all the Accounts in the name of the Temple. Annually several important & expensive festivals are observed. However the Temple is not in such an efficient state as it ought to be. The average income of the Village is 680 Pagodas per statement of the Vakeel of the Trustee. This is quite false. I raise the valuation of the Village to 950 Pagodas with reference to the approving Agency rates. The Trustee purposes to reduce their income with a view that the Revenue of the Temple may become larger.
