1 This one of the Dammasanams in the Zimmansong of Lavangyae. This was granted by the Government of 11 to one Parimalaya for his services. This is a boundary grant. This is in uninterrupted possession of its holders since the date of the grant. This has no Pottah. It was lost. The Village is supported by all the accounts of 12. It is lost about the area or about the boundaries on the part of the Zimmansong. It is lost. Before the area of 59 foms & 68 foms is confirmed here. There is a marked one. It is attributable to several defectiveness in the accounts. There are no other villages in the vicinity of the Dammasanam under Settlement. The Village is surrounded by the Dammasanams. The boundaries now inserted in the vernacular statement do not correspond to those in the account of 12. It is in one corner, because they are corrected by a. It is in the Zimmansong of Lavangyae & years ago by the Village of the Dammasanam & foms Village. The lands are divided permanently. The Village consists of four equal tracts. They are engaged as shown in the margin. The lands are divided permanently. The number of tracts equally & permanently. The person of 16 purchased half of the Village in 1861 for Rs 3200. The person of 16 purchased half of the Village in 1861 for Rs 3200.

Valuation

III Wet lands depend upon time & nature of crops - They are in repair - They are fed by Jungle Streams - The Tanils are getting annually - Dry & wet lands are cultivated - annually in full - Some of the wet lands are cultivated 2 times - Security of water is not full - The bed of the village comprising the escape of water - Soil is of a medium nature generally - No timber is raised - There is one open village *Ongarapadum* situated at a distance of about a mile - The average wet assessment of the last 13 years comes to 60 pice per acre of the village - This has increased - The average Dry assessment varies from 2-6 to 5-10 pice per acre - Empty or seed are charged with the maximum rate - These crops are not cultivated in this - *Dammanam* - *Varogor* is raised in Dry lands - Average income of the village as per statement of the people is 1100 pice per annum - This is not very low - In consideration of the fertility of soil &c, I give the valuation of the village as follows -

Wet 17 1/2 annas at 60 pice per anna 107-8

Dry 23 Annas at 10 pice per anna 23-0

Subt - 126-8-0

One hundred & twenty six pice & eight annas
