The present area of the ~~Village~~ is 3½ acres.

The Villagers say that the Inam ~~[illegible]~~ was resumed arbitrarily by the Zemindar about 20 years ago. The Rany's Vakeel says that as the Temple was not appy kept up, the Inam was resumed long ago by the Zemindar. Such petty Deities as Viravkaval Swamy are worshipped occasionally at the expence of the Village. The Rany is not inclined to restore the Inam. Hence I would recommend to confirm the Inam to the Rany on ½ assessment under Rule XVI Cl 3-

Vide the above remarks. Under the circumstances stated in the remarks I recommend to confirm the Inam on half assessment to the Rany on behalf as under Rule XVI Cl 3-

Under the circumstances stated in the remark entered in Case No 2 of the Register, I would recommend to confirm the Inam to the Rany on half assessment

The real area of the Inam is 1 A 10 Cents

This Inam was resumed arbitrarily by the Zemindar about 40 years ago. The Villagers claim the Inam now. ~~and~~ The Ranee is not inclined to restore the Inam to owners therefore - Hence I would recommend to confirm the Inam to the Rani on ½ assessment —
