II No talk now about the area about the boundaries on the part of the Rangas Taluk. The boundaries now inserted in the vernacular statement correspond to those
- in the Account of 1246. Hence the boundaries are confirmed here & the 239 Acre & 62 parts situated there are registered here -
- These two Villages are brought on one & the same Register as the area of the same is entered on lump in all the Accounts - The Temple & the Village appertaining
- thereto are under the management of the Rangas - On the whole the object of the grant is not frustrated - One way or other the proceeds of the Village are appropriated
- of the Temple -
