I..... This is one of the Grants in the Revenue of the Rajah of Tanjore. It was granted as appears from the statement of the Mahajans by
Rajah Tanja Perija Thanga Sen to our Honorable Master of the Revenue for his subsistence - on the occasion of his completing some
verses on the poem - The Ogl Grantee was a Poet - It is not known from the public Accounts by whom & to whom
the Village was granted. It appears from the Rajah's Accounts that the Village was granted for the support of the said Thanga Sen.
The Village is supported by all the Accounts of the Rajah. The Area or about the boundaries on the
of the Rajah's Vakeel. The boundaries correspond to those in the Account of the Rajah. The Area is 96 acres & 50 futs
confined to - The enclosure is a marked one - It is situated within the proper limits of the Village -
The Village consists of 16 Thotties. They are enjoyed as shown in the margin - The lands ^{were} ~~are~~ divided permanently - Poraj is paid on the
of Thotties equally & permanently -
The Ogl Grantee - (The next one)

number being thirteen equally & person number
II. The persons No. 1, 2 & 3 of 16 are descendants of the 4th Countess.

(The next card)

Value of grain of Melucaram on wet land in Maraypur
 Consisting of Agri Villages in the Taluk of Partipharnur
 period of 10 years

Year	Cultivated area in Acre	Gross out turn	Of which a share at 45 percent	Average price of grain in Col 4.	Value of quantity of grain in Col 4.	Rates per Acre
1680	74	13178-6	2	5905-1	1-6-0	8458-9-8
1681	74	13178-6	2	5905-1	1-6-0	8458-9-8

III One Subbramanyam Pandarum Lannetty, the former Manager of Teruvavaru Dorai Matam in Tenkavada Dorai in Mayavaram Taluk in Tanjore District, purchased off Village in AD 1881 for Rs 394-8 from Puvanalunga Narayana & Nagalinga Narayana the father & father younger brother the person of 1 of 16 - One bill of sales on a plain paper leaf & another is on a stamped paper leaf. Transaction is admitted by the person of 1-2 & 3 of 16 - Enjoyned proof. The 5/8 Village was purchased from the funds of the Matam - The proceeds are appropriate for the use of the Matam.

Valuation

IV Wet land defined upon one Tank of moderate size - It is in a plain - It is fed by a small stream - It is also fed by the adjacent Agri & Dammamam Villages - The Tank is fed annually & filled annually - Security of Water is not generally - The holders of the Village say that 28 acres of Wet & 17 acres of Dry are cultivated annually & the rest is left uncultivated - Some of the Wet lands are cultivated annually 2 times - No Tax is raised in the Village - Paddy is of a superior quality generally - Paddy soil is of a medium fertility generally - The Village is in pretty good state - The average income of the Village is Rs 168-0-0 per annum - This is not true - The contingent charges of the Village are Rs 168-0-0 per annum - The average Wet assessment of these Villages comes to 5-6 - & 5-12 per acre - The soil of the Village is placed on for the person of 16 say, with that of the surrounding Villages - The Dry average assessment comes to 1-2 per Acre - For consideration of the fertility of soil & in I frame the valuation of the Village as follows -

Wet 33 acres cultivated annually once & partly 2 times at 5 1/2 Rupees per acre - 181-8	
Wet 5 1/2 acres cultivated 4 times at 30 Rupees per acre - 168-0-0	
Dry 20 acres cultivated annually at 1-2 per acre - 22-8	
Dry 7 1/2 acres Waste & at 4 Rs per acre - 30-0-0	
	222-6-0
