My dear Mary
I received your letter of the 2nd inst.
and am very glad to hear from you.
I hope you are well and happy.
I am very much obliged to you for
the trouble you have taken in writing
to me.

[The page contains dense handwritten text in a cursive script, likely from a historical manuscript. The ink is dark brown or black, and the paper shows signs of age and wear. The handwriting is highly stylized and difficult to decipher without specialized knowledge of the script.]

[Faint handwritten notes at the bottom of the page]

~~Handwritten text, mostly illegible due to crossing out.~~

[The handwriting is extremely faded and illegible.]

[Faint handwritten text, likely bleed-through from the reverse side of the page.]

[The page contains dense, handwritten text in a cursive script, which appears to be a continuation of the letter from the previous page. The ink is dark brown or black, and the handwriting is somewhat faded and slanted. The text is written across approximately 20 lines, filling most of the page area.]

~~Handwritten text, possibly a title or address, crossed out with a large 'X'.~~

Handwritten text, possibly a date or a short paragraph.

1573/6

Main body of handwritten text, consisting of several lines of cursive script.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on aged, yellowed paper and is oriented vertically. The script is dense and flowing, characteristic of early modern handwriting. The text is written in a single column, with some lines starting with a large initial letter. The ink is dark, and the paper shows signs of wear and discoloration.

[Faint handwritten text, likely bleed-through from the reverse side of the page.]

II The Rangji Vakkal pleads that the Water Pond is on a very steep slope one -
that it should be ^{maintained and} ~~kept~~ as it is on a road leading to Rimmiswarum; that the Rang will
adopt necessary measures to keep the Mattanur Tannir Pond in an efficient state & fulfill the
object of the grant. The Vakkal also gave a written reply to this effect which is placed with this -
Under these circumstances I would recommend to confirm the Village to the Tannir Pond

& enter the Rang as trustee & Subbanswary as ^{officer} ~~officer~~ of a 16. I think it necessary for the local authorities
should see whether the object of the grant will be fulfilled. If the object of the grant found one granted this year the Village should be
III No Talkara about the area or about the boundaries on the part of the Rangji Vakkal. The
boundaries now inserted in the verma chala statistical correspond to those in the Account of 1264 -
Hence they are confirmed here & the 11/9 Ann & 1/4 patha set water there are registered here -

IV The average income of this Village is 1400 Rupees per annum
