

Register No. 1087

Minapue —

1609 47

This Temple has only
this one Village.

1 This is one of the villages in the penda darya of Sevayanga. This was granted for the maintenance of "Kala Panthi" & "Tuchikala Kallai" of the Temple of Natarani & Seva Sakari Amman in one & the same Temple in Andin civil village in the Taluk of Zumbaconam in the District of Tanjore.

This is a permanent grant. The Trustee produced a document purporting to be copy of the Potta which is said to have been produced in suit 24 of 1816 of the Zillah Court of Madras. As this is not an authenticated copy, no use of the same. The Village is entered in all the Accounts in the name of the Temple.

In the alleged copy of the Potta it is said that the village was granted for the support of Kala Panthi Kallai of the Deities of 18 of the Register of permanent grants.

Now it appears that the proceeds of the Village are being appropriated both to Kala Panthi & Tuchikala Kallai. In the Potta it is also said that the Marayandiyapalli, grant of the Trustee of 16, to show the village was granted originally for the support of the Deities of "Kallai" may disprove the Potta.

if it as he thinks proper or in other words that he may dispose of the Village either by sale or gift. This is a mistake -
