Register No. 1146

I This is one of the Villages in the Ze[illegible] Iswumdary of Shivagunga & this was granted by the Zemindar of [illegible] for the support of Narikudi Chettrum — Vide Register of the Village of Mela Panta[illegible] belonging to this Chettrum, for particulars —

II No Tuckarar about the Area or about the boundaries on the part of the Rangs Vakeel — The boundaries now inserted in the vernacular statement correspond to those in the Ayakut of Fusly 1263 [illegible] Potta — These boundaries differ from those in the Account of F1244 — The Stallars [illegible] the Chettrum say that these boundaries are one & the same on the spot & that the difference is confined merely to wordings — The boundaries are therefore confirmed here & the 362 Acres & 94 Cents situated therein are registered here —

III The average income of the Village is 760 Rupees per annum as per statement of the Stallars — This is fair —

IV These Chettrums are under the management of the Collector since A.D. 1837 — Hence Her Majesty's Govt is entered of [illegible] as the Trustee of this Institution as directed by the Collector —
