

Sivagangai

[illegible]

There are 28 Hamlets of the Agre Village of Lingam poverly - in the Taluk of Turpattur - These 28 Hamlets are entered in the Board's Register of A.D. 1865
These are permanent grants. No Ratta. The boundaries of these Hamlets are not recorded in the Accounts of 1864 or 1865 - There are ~~several~~ ^{many} ~~of them~~
^{one or two} ~~of them~~ ^{of which} leaves dated 1808^{or} which are registered in A.D. 1809 under Regulation XXXI of 1802 - The boundaries now inserted in the Permanent Settlement
as do correspond to those in the said M. Chagarnama &c. Thus the Range Vaddel has no ground to find fault with the boundaries.
Hence the area of 1403 ac. 46 fms. is correct here - The excess is a masked one - It is situated within the proper limits of the Village.
The excess is attributable to the rather unworthiness of the old accounts - The Temple is off by itself Average income of these Hamlets was Rs. 359 per
per annum. In the said M. Chagarnama the Hamlets are divided into two lots & the boundaries of the same are given separately -
the Hamlets of Mallanangan, Bhaga Swamy on Pramathi Hill in the Village of Prammalai.

These Bounties were granted for the support of the Temple of Kallanang on Bogo Island on Prameter Hall in the Kingdom of ...

The limits of these Hamlets are ^{not} situated country across to each other
