Sheet No. 1168

I This is one of the villages in the pargana of Teragunge. It was granted by Mattia Subbarao to Periya Periya Tanna for the support of the Temple of Sri Sripada Rajah Swamy in Tirumala in Tanjore District. It is a permanent grant. No Ratta. The Ranna Village named Pannavogel were granted to meet the expenses of Pradasha Rattas of Pradasha Nallur the Temple & the of the every evening Rattas of Sri Sripada Rajah Swamy & Ranna ambed. in the same temple. The object of the grant is not in any way frustrated as appears from an Order of the Travelling Nagapatnam. A Gummastah is nominated in the Temple by the government to superintend the charity. It appears from the statement of the Gummastah that the charity is conducted first by him ~~from~~ by borrowing money & that the money is paid to him once in a year by the government on the receipt of his Bill. It appears ^{that the} ~~more~~ ^{the} government paid to him for July 1272 & 1273 & that a portion only was paid to meet the charges of Fashis 1270 & 1271. This is quite improper. But I don't know who is to correct past errors. The Village is entered in all the Accounts under the name of the Temple.

II No talk now about the boundaries on the part of the Range. The boundaries now inserted in the vernacular sketch correspond to those in the Account of 1266. Hence the boundaries are confirmed here & the 72 Acre & 80 fathoms situated thereon are registered here.
