This is one of the Devastanam Villages in the zamindary of Sivaganga. It was granted for the support of the Temple of Subramanya Swamy in Nemmeli. There is a permanent grant. No Patta. The Temple is very old & is under the Hindu Religious Endowments Board. The Village is supported by all the accounts of 12. It has no Patta. It was lost. In the Settlement account it is described there are 8 Hamlets & Pandaleti for the Village. Now it appears that there are no Hamlets. All the Hamlets have merged with those of the Station Village under settlement. No accounts in the Collectors Office between the commencement of the Village. The boundaries now inserted in the remainder settlement correspond to those in the Zamindary accounts of the Devastanam of a series of years. No Pattah about the area or about the boundaries on the part of the Zemindar. Vakeel. Hence the Area of 466 Acres 141 Cents is confirmed here. The survey is really a correct one. Pattah is granted to all the lands registered here are situated within the proper limits of the Village. Pongal was originally an alienated lands belonging to the Temple, Fasli 1897-1553. It was resumed & 296-3 11 by the Zemindar some half century ago. No Pattah now about Pongal. Hence 296-3 11 is adopted in the settlement. The minor in Pongal is attributable to the increase in the area. Hence the excess is a recognized one. (Vide revd. enclr.)
