The Trustees produced an authenticated copy of a Mahazarnamah dated 1808 which was registered in the Court on the 5 August 1809. The boundaries in the Account of 1812 & in the Patta differ with each other to some extent. But the Trustees say that these boundaries are one & the same on the spot & that if any difference is found in them, they will give the one which may be selected by the Zemindar. The copy is a very marked one. It is said to be situated within the proper limits of the village. Hence the area of 1204 Acre 85 Cents is confirmed here.
