Nayinapettai.

1 This is one of the Devastanam Villages in the Jemindary of Sivaganga granted for the support of the Temple of Sree Periana Nadha Swamy otherwise called Pushpavaneéswara Swamy in Tirupuvanam - There is a permanent grant - No Patta. The Temple is efficiently kept up -

The Village is entered in all the accounts in the name of the Temple - No Talk ever about the area or about the boundaries on the part of the Ramjo Vakeel - The boundaries now inserted in the vernacular statement correspond to those in the Account of Fl 1246 - Area the boundaries are confirmed here & the 207 Acres & 93 Cents set out as Pieram are registered here. This Temple has several other Villages besides this - All these are Sarva Manyam Villages - The names of all these villages are given on the back of this Register

II ..... The Jurnam of the Village deducted and given to the Guardian of the Village 30 Acres of Wet by reason that they were reserved & incorporated with the Jemindary some years ago - The Ramjo Vakeel says that this is not true & that the lands are held for the support of the Temple - Looking to the settlement Accounts of the Jemindar, it appears that annually these 30 Acres are held by the Jemindar since they are deducted from the Guardian of the Village annually - On the whole as the Vakeel says that they are held for the support of the Temple, the entire Village is registered in the name of the Temple - The Jemindars have no sole control over the endowments of the Temples as Trustee merely, misappropriate the income as they think proper -

The average income of this Village is as 1406 Rupees per annum - as per statement of the Vakeel - This is given -
