I This is one of the *Darmas anums* in the *Zemindary* of *Parungu*. This was granted by the *Zemindar* of 1811 to the person of 1811, for subsistence. - This is a hereditary grant. No break in enjoyment by any reason. The Village is supported by all the accounts of 1812. No *Tak* are shown. The area is about the boundaries on the part of the *Rang's* *Vakud*. The boundaries correspond to those in the *Account* of 1824. - Below the area of 40 and 60 fads is confirmed here. The Village consists of 6 equal *Wallas*. They are enjoyed as shown in the margin. The *Conds* are undivided. *Pongu* is paid on the number of *Wallas* equally & permanently. -

II The persons Nos 2 & 3 of 1816 are descendants of the *Govt* *Gumbur* & others are aliens. The Village has a *Pathe* on two places. *Gopu* *hemu*. The *Rang's* *Vakud* says that the document is a genuine one. It is said in the *English* *Account* of 1815 that the document is a registered one. The boundaries in that *Pathe* & those in the *Account* of 1824 differ to some extent. - The *Mahajans* say that these boundaries are one & the same on the spot & that if any difference is found in them, they will guide from the boundaries which may be selected by the *Zemindar* for them. -

182002. *Revised* 1837-72. - From the person No 7 & others. *Belley* *order*
