 This argument seems the just one - In the Sattammar account of Panyangona of 1775-78 is entered in lump for the Temple & Panyangona -
 In the account of 1782-83, a sum of Rs 7897 is entered for the Temple. Now since long, a sum of Rs 112-8-9 is entered for the Temple -
 The increase in Rs 112-8-9 is not made for the Temple - The increased Panyangona is paid since the last half century -

II The Temple is under the management of the Trustees since long - The Panyangona says that the management of the Temple is not with the
 The average income of the Village is 979 per annum
