Register of Madapparam Village of Pulamgunduyendal in Trippattur in Trippattur Taluq of Sivaganga zamindari Estate in Madura District

Pulamgunduyendal in Trippattur Village

Register No. 15
Sheet No. 20

This is one of the Hamlets in the Zamindary of Sivaganga granted for the maintenance of the one Velai Kaviragar, the person 9/3
It is not known when & by whom this was granted - The Original Grantee was a famous Poet of those days - This is a tendu tary grant - There is an uninterrupted
possession of its holders since the date of the grant - There is no Patta - It was last the person of 6 produced a Muhzarnamah dated 1809 -
executed by the neighbouring Villages certifying that the Village or Hamlet under settlement is in possession of the family of the person of 16 grown
time immemorial - As this is a Hamlet this is omitted from the Boundary Register of A.D 1815 - This is a Hamlet of the Ayan Village of
Tirpattoor - The boundaries of this Hamlet are not recorded in F. 1244 or F. 1246 or previous or subsequent to those years -
The Vakeel of the Zemindar appointed the boundaries in our presence in vernacular statement & also at the time I took cowle regarding the area of
Hence the area of 14 Acres & 40 Cents is confirmed here - The excess lands are subject to the proper limits of the Village. The Village or Hamlet has
As recognized boundaries - Adequately this Hamlet had Powgy of Rupees 16-5-8 - Asthi was reduced by Sentury ago by "Sarvai Karem" to 2-10-11 -
as the Renter of the Village pleased him by compiling certain pieces as - Now the Zemindar has no Claim to 16-5-8 but to 2-10-11 - The person of 6
is the one of the Original Grantee - The entire Hamlet is occupied by the persons of 16 only -

II ... Wet lands depend upon a Tank of moderate size - It is fed by the waste water of the important Ayan Village of Tirpattoor -
The Wet & Dry lands are Cultivated in full annually - The Tank is in repair - It is fed annually - Soil is of a superior quality generally -
one fourth of the Wet lands are fallowed annually 2 times - Varaivie is raised in Dry lands - I have no materials to ascertain the average rate of
assessment by the neighbouring Ayan lands - The statement A given on the back of the Register shews the average assessment per Acre of Wet lands
