Register of Devadayam Village of Panamsayal in the Palaiy of Tiravijambat of Ramnad Zamindari Estate in Ramnad Dist.

Register No. 1058

Panamsayal

Temple has only one Village.

This is one of the villages in the Zemindary of Sivaganga. This was granted for the support of Vellambara Nata Swami in Sundara Pandya Pattanam. This is a permanent grant. No Pottu. The Temple is efficiently managed. There is also a Chattrum close to the Temple. The Chattrum has its own villages. No Talk was about the Area or about the boundaries on the part of the Raja's Vakeel. The boundaries now inserted in the remarks statement correspond to those in the Account of Fl 1269, which is settled Account. Hence the boundaries are confirmed here. The Temple has only this one Village. The Temple is under the management of the Raja. The average income of this Village is 150 Rupees per annum. From the Samasta Kirdi Accounts of Fl 1267 & 1268 & 1269 of the Temple it appears that 1/3 of the income of the Village is hardly spent for the Pooja of the same. The rest is certainly being misappropriated. The Raja's Vakeel says that a portion of the funds of the Temple is being appropriated to the use of the Chattrum situated close to the Temple. The Chattrum has sufficient funds. In fact as it is known to all, the Zemindars view the funds of the Devasthanam & Chattrum as a portion of their private property since the Institutions are placed under their management. All the extra charges are made from the funds of these Institutions.
