II. Purchase of all the Villages belonging to the Temple is in sum 49-
some forty years ago. Thus the sum of Paper 53-1-3 is adopted in the Settlement.

done forty years ago - Thus the sum of Rs 69-1-3 is adopted as the value.

III. Well known dependence on Lanka. Soil is good & fertile generally - Average profits of the Village are 4700 rupees as per statement of the Trustees.

This is very high - The proceeds of the Village are appropriated for the Temple of Lord Ranganatha Swamy of Kotturavil of Periya Narkky Amman -

Though the name of the Goddess is not entered in the account of F1211 V1222, in the garimani account of F1212 it is entered -

Hence the Village belongs to Nagadevivil of Ranganatha Swamy & Kotturavil of Periya Narkky Amman - Then two Temples are under the management of the Trustees of both since long.
