1 This Pram is not found in any of the Accounts.

There is a Patta dated 1794 A D — Nor was registered in A D 1809. There no ground to suspect the genuineness of the document — Nor the Ramjo Vakeel has any ground to found Gaulbottle ib — One Sinnadiya Tavai claimed the Pram by reason that he is a descendant of the Pram — It is proved that the person of ib is enjoying the Pram since long & appropriating the proceeds thereof, partly for the use of "Mälaiadoo" or a Tomb of the person of 3 — & partly for his maintenance. The Dep. Magistrate of Madura has decided on the 5 April 61 that the person of 16 has enjoyment of the Tomb & that ib should continue in possession. The decision was confirmed by the Sessions Court on the 3 May 61. Hence the Pram is reg. d in the name of the person of 16. & the claim of the said Sinnadiya is rejected.

See Coll's letter dated 3/10/70 No. 1852. Claim rejected vide 1302 of 1870. already rejected 11-10-70.
