 (This is one of the Damascanams in the grant of Loringanai. The was granted by the Ponda King 1011 to the 1603 for subal man -
 This is a boundary grant. It is in unimpaired possession of its holders since the date of the grant. It has no father. It was lost -
 Half of the Village is Agri & the other half is Damascanum or in other words half of the Village is included in the assize upon which the permanent -
 settlement was based & the remaining half is excluded therefrom. This Village is a Hamlet of the Agri Village of Tinkalapaty -
 The Village has no ~~land~~ ^{land} ~~of 1011~~ ^{of 1011} ~~in any of the existing accounts~~ ^{in any of the existing accounts} - The persons of 16 failed to prove their right to the
 lands entered above those given in the accounts of 7211 & 1223 of 5 Ann & 28 fads of Wad. - Never Performed here upon the persons of 16 -
 16 Damascanum - The Damascanum portion -

only 5 Penn & 28 cents - of Wil - leaving the right to the crops to be settled between the Penns and the Maryland
rights of 6 equal Trustees. They are enjoyed as shown in the margin. The lands are undivided. Proport is paid on the membership Trustees equally &
manently - The persons of 186 ^{have the} say that they are descendents of the Ogl Grantee - that they cannot describe their relationship with the Ogl Grantee
as several generations passed between them - However the
