I This is one of the Damiasan Villages in the government of Pangasinan - It was granted by the Governor Alvaro to one Subbira Dany & others for subsistence. This is an uninterrupted possession of its borders since the date of the grant. This has no Patta. It was lost. The Plogies entered at Damiasan in all the Accounts - No tallies about the area or boundaries on the part of the Range District. The boundaries were inserted in the remainder statement correspond to those in the Account of 746 - Hence the boundaries are confirmed here of the 90 acres & 58 fathoms situated therein are registered here -

II This Village consists of 12 equal Plogies - They are enjoyed as shown in the margin - The lands were divided permanently -
