This is one of the Villages in the Zamindari of Sivagangai. This was granted by the Government in 1811 for the support of Marudabhai and the Temple of Viswa Nutha Swamy & Thakalaki Amman in the Rajagangai agency - as appears from the Patta of the Village which is one of the original documents & which is the genuineness of which is admitted by the Rangis Patta. This Patta and the Temple are situated contiguous to each other. The proceeds of the other Villages belonging to the Patta are being appropriated to the use of the same - as with the Village of the Village is not grounded in any account. The cause of this omission is not known. As the Village is in the Patta & as it is being used for the support of the Institutions, I would recommend to confirm the Village to the Institution viewing it as one of the Villages deducted from the Patta upon which the Permanent Settlement was based. The Rangis Patta has no objection against confirming the Village to the Institutions. For the Patta, the boundaries of the Village & those of the Rajagangai Village which belong to these Institutions are being led together. Now the recognized boundaries of this Village are given separately in the vernacular Register which are confirmed here & the 13th April 1866. The boundaries of this Village are not recorded in any of the Accounts. The boundaries of this Village are registered here. The boundaries of this Village are not recorded in any of the Accounts. Is this not entered in the Zamindar's Accounts of 1213? If entered, does it appear as a claim older than the Permanent Settlement which is entered as a claim in 15/2/65 - WWS

Since this was the Patta of the Institutions, and he had the Village, he did not care whether it was entered as a claim or not. The entry of this Village among others in the Patta was not as a claim, added to the above circumstances, leading me to believe that this is the case of a simple omission in the accounts and not of a claim included in the Patta of the Estate. I would therefore confirm the claim as recommended by the D. C. 1866.
