Passed 28/5/64

Why is the excess disallowed? M

The excess is deducted by reason that the Inam has no fixed boundary & on [illegible] the proper boundaries of the same &c. as suggested in my preliminary report with reference to the former mode of settlement. Now, since the receipt of Govt orders dated 8 April & 3 May/64, I explained to the Ranis Vakeel the sentiments recorded therein. Upon this, the Vakeel informed me that he finds no fault with the boundaries now recorded for the Inam by the Inamdar & that he has neither any objection to registering here 1 3/4 cawnies including the excess. Thus the entire area is registered here.
