IV The Enam Bhattar & the Husband of that Widow of Rs 400 purchased the lands in the opposite to her name in AD 1848-1849 & 1858 for Rs 8349-4- from one Sentkaratingim Setty, Paddy Setty, Paddy Setty, Nandalingam, Venkata Subbarayan, Peshayan, Lengum Setty, Kovu Sanyal, Ambay Sanyal, Gopal Sanyal, Subramaniam Sanyal, Perkarayan, Vaidya Nayyar, Nayyar, Rajagopal Sanyal & Nayyar Setty. Latchum Narasimham & shareholders in the Village Twenty three (23) bills of sales are on plain paper & leaves. All out of the sellers are above they admitted that the transaction of estate is bonafide & the bills of sales are genuine. The sellers assigned their lands partly by gift & partly by purchase.

II The lands in the village are divided permanently. Pongpo is paid on the morning of Christmas equally

Wet lands depend upon one large Truck. It is in repair. It is fed by a branch.

Valuation
 Wet lands depend upon one large Tank. It is in repair. It is fed by a branch
 channel of "Kattar Kat" an important Dargah Stream. The Tank is called "Kattar Kat"
 Security of Water is not felt generally. The Village is in a flourishing state. Wet & Dry lands
 are full sown annually - full some a few acres from some unavoidable circumstances -
 Some of the lands are full sown annually & others - Kattar Kat & Puzah lands are of a superior
 quality generally. The water is of Puzah character. No Tank is raised in this Village. There are no
 other villages contiguous to the Dargah Stream under Settlement. The other villages of Dargah
 are situated at a distance of one or two miles from the Dargah Stream under Settlement.
 The average Wet amount of these two villages comes to 5 1/2 & 10 1/2 per acre respectively.
 The average Dry assessment varies from 8 to 10 per acre. The assessment in case of the
 Village as per statement of the present holder of this Village is 2000 Rupees per annum. This is not correct.
 On consideration of the quality of soil & the quantity of water the valuation of the villages as follows -
 Wet 70 acres full sown at 6 Rupees per acre 420
 Dry 25 acres at 10 Rupees per acre 250
 Dry 50 acres at 4 Rupees per acre 200
 Total 870
