Register Nos 1029, 1030, 1031, 1032

Sheet No 1180

I These are the Villages in Pergunnah of Sivaganga. They were granted by Muchukunda Chakravarty for the support of the Temples of Sthree [illegible] Nayanar in Vadugempatty & of Marundeswarer in Yeriyur. These are permanent grants. No Potta. The Temples are efficiently kept up. No Talk are about the area or about the boundaries on the part of the Rany's Vakeel. The boundaries now inserted in the vernacular statement correspond to those of recognized one. The limits of these Villages are not given in any Account. Hence the recognized boundaries inserted in the vernacular statement are confirmed and the 222 Acres & 98 Cents situated therein are registered here.

As these Villages are settled as one by the Zemindar, they are brought on one & the same Register. These Villages belong to these two Temples in equal portions. The name of Pedary Yendel is given only in the Account of F 1211 & not in any other Accounts.

II The Names of the Temples & the Villages in which they are situated are not given in the Accounts of 11 distinctly. Now all these details are given in [illegible] 8 of this Register. Poruppu is paid on lump on all the Villages belonging to these Temples.

III In the Register of A D 1815 it is said that this Village belongs to Alanatkoli Amman Temple also. This is a mistake. This Ammen has no share in these Villages. The Ammen Temple has separate Villages.
