This is one of the Darnasamams in the Zamin of Periyagga. This was granted by the Zamindar of 1811 to the period of 13 -
 This is a subsidiary grant then in uninterrupted possession of its holder since the date of the grant. The Mahajamam produced
 a document purporting to be the Patta of the Village by Periya Vodaya Zamindar, A.D. 1781 - No number of the document
 is made in any of the accounts. In the English Register of A.D. 1815 copy of which is forwarded to the Board of Revenue, it is said that
 the Village has no Patta. I doubt the genuineness of the Patta as it is not a usual form nor it has been marked as usual.
 The Range Officer wrote first a remark that the document is a genuine one. When I pointed out the defects the Range
 Officer says that the document is not a genuine one. Hence the Patta is of no use. The Patta shows that the Village is an ancient Darnasamam
 & 1/4 was granted in exchange with some of the Darnasamam lands of an ancient date. The Darnasamam is supported by all the
 Accounts of 1812. It is taken about the Area or about the boundaries on the part of the Range Officer. The boundaries
 correspond to those in the Account of 1726. There is some difference between the boundaries given in the Account of 1726 &
 in the Patta. The Mahajamam says that they are one & the same on the spot & that if any difference found in them one
 personal examination they will guide by the one which may be selected for them by the Zamindar.

II - - - The Vakeel of Kattama Nakhyaer pleads that there are 3 Kalkanyas or purchased Pongvos in the village for the Jemidar or Rany Kattama Nakhyaer; but the fact is that the Ex-jemidar granted the lands, bonus, about 40 years ago ^{to Desikamangar &c} that immediately after which the lands were attached by the order of the Court of Wards, not about 4 years ago. The Ex-jemidar gave the lands again to the said Desikamangar who was then Manager & that the lands should be registered in the name of Kattama Nakhyaer who pronounced to be by a decision of the Privy Council as lawful successors of the late Jemidar. As it is proved satisfactorily that the Ex-jemidar gave the Pongvos to the Desikamangar (N^o 20 of 1866) four years ago ultimately & that he is enjoying them. Hence the 3 Pongvos are registered in the name of the person N^o 20 of 1866. & the Rany of Sevengayal is referred to the Civil Court.

57 In the village the zemindar rented out 95 acres & 20 fathoms jungle lands on mortgage to one of his dependants. The Rang's Vakil had to afford me satisfactory explanation regarding this. The Muzungwans say that the jungle lands were reassigned by the zemindar some time ago - arbitrarily. Under the opinion expressed in the Commissioners' Proceedings dated 5 December 1864 No 68 regarding Pujar Lands in Tempuram Taluk, I confirm Rang's 95 acres & 20 fathoms to the Rang Rattana Nakhigar on 1/8 of annual
