Mochipatti, Pailampatti, and Tulu Mangalam

1858, 1859, 1860

Extract of the Parwana.

These are the 3 Villages in the panna of Sivaganga - Mochipatti, Pailampatti, and Tulu Mangalam - From a Parwana of the Nabob Mohammed Ally Khan, which is produced by the holders of these Villages. It appears that these were granted for the support of a "Mokan" or a Religious Institution of the Badroddin Pathan the substance of his servants. The Parwana is not a registered one. But I see no ground to suspect its genuineness as it bears the usual Seal on the document in Persian character. I got the Parwana translated carefully into Tamil through one of the Deputy Collectors of the District who is at Madras. It is stated in the Parwana distinctly that these Villages were granted partly for the support of the "Mokan" & partly for the support of the servants of the Badroddin Pathan as mentioned above. The Tamil parwana runs thus as shown in the margin. It is not stated in the Parwana where the Mokan is situated. This is now stated to be at Tirupuram - in the Taluk of the same name in the panna of Sivaganga - & at Madras in the Taluk of the same name in the God of the District. Both these Mokans are efficiently kept up - The Badroddin was buried in the Mokan at or Dargah or Gumbaz at Madras. & one of his relations was buried in the Mokan at Tirupuram. Daily & annual ceremonies are observed in both the Mokans. I found that a portion of these Villages is allotted to defray the charges of the Mokan, & the proceeds of the remaining Villages are appropriated to the personal use of the Mokan. These Villages Council of 1/2 equal votes. They are enjoyed as shown in the margin. The lands are undivided. These villages are Parva Mangalam (Village and name)

As per acct of 1211.

II The person N<sup>o</sup> 16 claims to have been Village as an endowment of the Molkans in question - On the other hand the persons N<sup>os</sup> 2 to 11 of 06 claim to have been Village as an endowment of the Molkans in question - From time immemorial -  
The person N<sup>o</sup> 16 has been allotted to meet the expenses of the Molkans & the rest is enjoyed by them as shown above -  
The person N<sup>o</sup> 16 pleads that the persons N<sup>os</sup> 2 to 11 of 06 have no shares at all in these Villages - From an authentic copy of the Decree of the late Panchit-  
Pudra Ameen's Court of Malabar, in N<sup>o</sup> 1167/1837, which is produced by the persons N<sup>os</sup> 2 to 11 of 06 it appears that these Villages consisting of 7 1/2 Thillis, that of these  
one Thilly is allotted to meet the expenses of the Molkans & the remaining 6 Thillis was at their disposal are enjoyed  
by the holders of the Villages as personal grants - The persons N<sup>os</sup> 2 to 11 of 06 say that one of their cousins Fanni Badrudin Humani who was enjoying one Thilly in these  
Villages having died without issue & unmarried about 4 years ago, his share is transferred to the Molkans & the proceeds of that share are now appropriated to the  
use of the Institutions since the demise of the holder thereof - This proved to be true - Thus the share of the Molkans is 2 1/2 Thillis - Afterwards above alluded to consists of  
the cost of the oil &c required for the use of the Molkans & all annual charges of the Molkans, salaries of the sweepers & bathmen paid to "Musajirs" or travellers  
Thus the share of the Molkans is now equalled to 2 1/2 Thillis & the balance remaining 5 Thillis are in possession of the persons N<sup>os</sup> 2 to 11 of 06 Not any portion  
of these 5 shares is appropriated to the use of the Molkans - In the account of 1223, these Villages are entered as the endowments of the Molkans, while in the English  
Account of A.D. 1815, they are placed as subsistence grants of one Mirkhid Fakir. He says that Mir Nizam Fakir is a nick name of the Ogl Grantee -  
& against any that they do not know who he was - I don't think that there can be submitted grant as mentioned in the English Account of A.D. 1815 - because the  
Parwana shows that these Villages are endowments made to the Molkans - But 1/3 of the Villages is appropriated to the use of the Molkans & 2/3 for the persons  
using the persons of 06 who must properly be styled as servants of the Molkans - But though they are not doing any service to the Molkans personally but by  
employing servants - It is a matter of question whether the 5 Thillis enjoyed by the persons N<sup>os</sup> 2 to 11 of 06 are to be treated as personal grants or as Molkans' endowments  
It is clear from the Parwana that these Villages were granted for the support of the Molkans & their servants - There is not a single place where  
all the proceeds of the endowments belonging to religious Institutions are appropriated to the use of the same without any appropriation  
- a portion of them - (see next side)

2<sup>d</sup> sheet of Mochipatti, Pullampatti & Tulukongolam in the pargana of Sivaganga in the District of Madras

In the parganas of Rammed & Sivaganga - encroachments of Temples & Pathrans are under the management of the farmers -  
The parganais are treating them as a portion of their own private property - The persons of 251 & 016 are not inclined to transfer any portion of their 5 shares to the  
- use of the Mokans - They plead that the entire Village <sup>is</sup> should be registered in the name of the Mokans leaving their enjoyments untouched -

The persons of 251 & 016 say that when the <sup>old</sup> shareholders die without legal heirs, their shares revert to the Mokans -

On the whole as these Villages were granted for the support of the Mokans I treat them under Rule 11<sup>th</sup> of the <sup>1851</sup> ~~1851~~ <sup>1851</sup> leaving their ultimate fate with the Collector -

I think it will be hard to enfranchise these Villages under the Rules applicable to personal grants - The person of 11 failed to prove that the person of 251 was 15 shares more than the  
It is proved satisfactorily that the person of 251 is enjoying their shares inheriting them from their grandfather - Hence the person of 11 of 016 is incommensurate -

III. .... No dispute about the area or about the boundaries on the part of the Rami's Taluk. The boundaries now asserted in the remanent statement

Correspond to those in the Account of 17246. Hence the boundaries are confirmed here & the 459 Annas & 91 <sup>1/2</sup> falls situated thereon are registered here -

Of these 3 Villages, Tulukongolam is far from the other two Villages - which are contiguous to each other - These Villages are brought on one of the same Register -  
as they are entered in lump in all the Accounts -

IV. .... The average income of these Villages is 284 Rupees per annum as per statement of the holders of the Villages - This is quite false. I raise it to 600 Rupees  
as per with reference to the fertility of soil & the adjoining rates of assessment - The holders of these Villages reduce the revenue of the Villages to show that the present  
assessment is too high -

The assessment is not diminished much by these Villages -

Ramachandran Rao

V. It appears that the one Vally is entered opposite the Widows of 2-3 & 4 of 016 is under the attachment of the Moonis's part of Madura  
since the last one in year in satisfaction of certain private liabilities of the Widow of 2 of 016 - The other shares in the Village present no objection that the Vally should  
not be sold being a portion of the endowment of the Mokans above alluded to - The Moonis's paid no final orders regarding the lands under attachment -
