17 This is one of the Dammisamam in the possession of Luraganyan. This was granted by the Germans in 1711 to the p/o 13 for land taxes - This is a boundary grant. This is an uninterrupted possession of its holder since the date of the grant. This is a title. It was lost - The village is supported by all the accounts of 1712. No toll was about the area or about the boundaries on the part of the Germans. The toll was - Beneath the area of 203 & 98 feet is confirmed. The boundaries of this village were not recorded previous to this. The increase is a marked one - But it appears that there are no other villages in the vicinity of the Dammisamam land. Settlements. No toll was on the part of the holders of the contiguous interior from villages regarding the boundaries. Hence the survey is situated within the proper limits of the village. The village consists of four equal parts. They are enjoyed as shown in the margin. The land is undivided. Pough is paid on the number of letters equally & permanently. The person of 1712 purchased the interior village in 1712 for 1000 lbs. from one Brimachelae.

II. The Late Rev. Dr. Broder of the persons of 18 purchased the entire Village in 1832 for \$1000 from one Primachellai Sairam - who purchased the Village previously from the descendants of the Original Grantee - Relying on a stamped paper deed - The former Descendants of the former of the Original Grantee say that their ancestor argued that Village together with several other Villages - in gift & that these Villages united long ago to the ancestors of the said Primachellai Sairam that they do not know how they fell in their possession - On the whole the selling person the legal owner of the Village Anne Sairam is presumed to operate the right of the person of 18 - (Vide note 20)
