 From the marginally noted correspondence it will be seen that the Rany of Terengganu argued that the dry lands in 38 villages in Terengganu
 Terengganu were not disaffected from the crown, for which the Permanent Settlement was made & that therefore they are not to be brought under the
 Of these, the dry lands in 11 villages are in possession of the persons & those in 27 villages are in possession of the Government. As directed in the dry lands the
 11 villages are confirmed to the Rany of Terengganu & those in 27 villages are confirmed to the Government.

Valuation

Wet lands in the Village are irrigated by one large Tank - It is in repair - It is fed by Temple Stream - The Tank is filled annually in rainy seasons - The Mahajanams say that the Dry & Wet lands are cultivated annually in full & that the lands ploughed as Perumbokke are unfit for cultivation - 1/8 or 1/9 of the Wet Area is used to be cultivated twice annually - No security of Water is given generally as admitted by the Mahajanams. No Tank is raised in the Village. Soil is of average quality generally. The Village is in flourishing state - The adjacent Open Village is Terimany. It is situated at a distance of 1/2 mile from the Durmasamam settlement. The average Wet assessment of that Village calculated for a period of 14 years comes to 5 Rs 7 Annas - The average assessment of the village in which the Village is situated is given in the margin - The average Dry assessment of the adjacent Open lands - The average varies from 0 Rs 33 to 0 Rs 107 per acre - The average income of the Village as per statement of the Mahajanams is 608-2-0. This is not very low in consideration of the fertility of soil & I frame the valuation of the Village as follows. The Mahajanams say that the lands may be placed on for comparison with those of the Open Village of Terimany -

86. per cent of full cultivated annually in full once a fortnight & twice at 60 per acre - 516 -
 264. per cent of Dry full cultivated annually at 3/4 per acre - 183 -
 Total = 699-0-0
