Register No. 166

1 This is one of the Darmasanams in the Zemindary of Sivaganga. This was granted by the Zemindars of old & alone & when it is not known this is a hereditary grant. This is in uninterrupted possession of its holders since the date of the grant. This has no Potta. It was looked. The Village is supported by all the accounts of 12. No talk arose about the area or about the boundaries on the part of the Zemindar. Vetti. Hence the area of 39 acres & 34 cents is confirmed here. The boundaries now noted in the vernacular statement do not correspond to those in the account of F 1246. The entries in the accounts of F 1246 ~~~~ of the prove to be the inaccurate. The boundaries correspond to those in the Bill of sale of 1840, in which the party 16 acquired the Village by purchase. There are no Ayen Villages in the vicinity of the Darmasanam Settlement. Hence I see no objection to confirming here 39 acres & 34 cents. This Village consists of 6 equal Pattis. They are enjoyed as shown in the margin. The lands are undivided. Poruppu is paid on the remaining Pattis equally & permanently.

The ancestor of the party 16 purchased the Village in A D 1840 for 2 years 450 from Subbaroyan. The Bill of sale is on stamped paper. Transaction proved to be bona fide. Enjoyment proved. The seller purchased the Village previously from one Alagoo Sarvai, by whom it was purchased previously from Anai Iyer ~~the person~~ in the account of F 1223.
