The excess is attributed either to the recognized limits of the Inam. The Rangy Vakeel has no objection to confirming the excess. Though it is asserted the No. 16 acquired its title by the Zemindar's purchase long ago—he fails to prove it. Moreover, if so, there is no evidence to show whether the No. 16 acquired the Inam lawfully or otherwise. I would recommend to confirm the Inam to the No. 16 only as against the other Zemindar's any that the No. 16 is possession of the Inam also long
