I This is one of the Devasthanam Village in the Zamin of Sanyangar. This was granted by the meeting the present Zaminar to the support of the Temple of the Subramanya Swamy in Kumbhak. This is a permanent grant. No grant. The temple is apparently kept up. - For grant is performed three in a year. The movement is supported by all the accounts of 12. No talk about the area or about the boundaries on the part of the Zaminar. Hence the area of 179 Acre 885 futa is confirmed here. - Pompe was originally on all the lands belonging to the Temple, 189-153. It was raised to 296-311 some half century ago. No talk about it. Hence the sum of Paper 296-311 is, as often in the settlement. - II. Village depends upon a Tank. Soil is good. Average profits of the Village are 740 rupees per annum.
