III The average income of the Village is 107 Rupees per annum as per
-the purnam of the Village - This is not true - I raise it to Rupees 170 with refer
to the fertility of soil &c

IV Pongra of the Village is 4728 per annum. The Trustee says that he is
paying 9-78 per annum. The receipts which he produced show that the Pon-
gr Village is ~~4728~~⁴⁷²⁸ per annum. It is clear that some one is deceiving the Trust-
& collecting 9-78 instead of 4728. The Pany's Vakil says that the Pon-
gr of the Village is 4728 & not 9-78 as per appears from the purnam a cer-
tificate I told the Trustee to pay only 4728 to the purnam as Pongra -
