As against the person N^o 1 of 186 produced a bill of sale of \$2500 which is on a stamped paper ~~and~~ showing that half of the village was purchased by his father for \$1250 from one Linna Harapah Tooyah Tairvai & that it was sold previously to the sellers by the ancestors of the purchaser.

From this it is evident that the entire Village was not granted originally for the support of the Temple. In the English Registry A.D. 1875, copy of which is forwarded to the Board of Revenue, ~~this~~ the Village is altogether omitted. Undoubtedly the grant of the Village in the name of the person No. 116 & his heirs as shown on the portion not deducted from the assets upon which the Permanent Settlement was based.

If there is no document to show when the foregoing person N^o 1 of old bond held by Mrs. Ruge which they purchased again in AD 1825- _____ (will not sell)
