1 These nine Villages are Hamlets of the Dyen Village of Yirungur. These Hamlets were granted for the support of the Temple of 08 of the Regent's. These are permanent grants. No Patta. The Temple is efficiently kept up. These Hamlets are in uninterrupted possession of the Temple from the date of the grant. These Hamlets are contiguous to each other. The boundaries of these Villages are not recorded in any of the Accounts. Hence the area given in the Account of 211 for all these Hamlets as 223 Annas 290 Paks is correct here. The numerous Valued objects to confirm the census - Pongpur Pusan 55395 is paid in lump for all the Villages belonging to the Temple. These Hamlets are supporting all the Account of 012 - Average income of the Village is 590 Rs per annum. This is not true I raised it to 1500 Rupees per annum. The Temple is under the management of the Trustees of 016 - The census in Pongpur was made just after the completion of the Patta Settlement. It was not made on account of the census in the area.
