Kearney &

W. A. S.

This image shows a close-up of a piece of aged, brown paper. The paper has a textured, slightly mottled appearance with various shades of tan and brown. There are several faint, dark, illegible markings scattered across the surface, which appear to be either bleed-through from the reverse side or very light pencil marks. A prominent vertical crease or fold line runs down the left side of the image. The overall lighting is somewhat uneven, with the right side appearing slightly darker than the left.
