

It appears that the founder of Pomeroy was given the village to his wife
Egbert & Mary Jane Egbert. It is not known when Pomeroy was acquired,
Befurwogen. It is said that Befurwogen sold his share. The family of Befurwogen is said
to Befurwogen's share. Hence it also appears that Befurwogen disposed of his share in the village.

[illegible]

There is no objection - The contiguous village of Blage is not inferior to that of the village of
7. Reperfor are. In the east of the village is not inferior to that of the village of Blage -
In consideration of the fertility of soil & of the water of the village as shown -
The measure are 620 -
