Talukdar

II This is an insignificant Village. Wet lands depend upon one Tank. It is in repair -
 It is fed by a single stream. The Tank is filled annually. Scarcity of Water is not felt generally.
 Wet lands are cultivated annually in full. Some of the Wet lands are cultivated 2d. time.
 No Pungah lands in this Village that are fit for cultivation. The Wet soil is of a superior quality
 generally. The average income of this Village is 30 Rupees per annum as per statement of the Talukdar.
 The person of 1/16. This is not true. The average Wet area of the contiguous village of
 Panakulam & Pundarikulam comes to 8-8 of Rupees per acre. I charge this for the 1/16.

Wet 7. Area at 6 1/2 Rupees per acre - 45-8
