This is one of the Dammamams in the Pannam of Sivaganga. This was granted by the Rajah in 1011 to the person of 1013 for subsistence. This is a hereditary grant. This is in uninterrupted possession of its holders since the date of the grant. This has been proved by the Pottas who hold the village. The Dammam is supported by all the accounts of 1012 - 1013 taken about the area or about the boundaries on the part of the Panya Pakel. The boundaries were inserted in the vernacular statement correspond to those in the account of 1846. Hence the area of 49 acres situated within the said boundaries is confirmed here. The persons of 1016 are undivided brothers. The entire village is in their possession. The persons of 1016 after father purchased the entire village in 1847 & 1848. For papers of 1016 from one Samayyer, Putharaya Gunda. Two bills are on stamped paper leaves. The sellers are the sons of the person of 1015. Their ancestors purchased first long ago the entire village from the descendants of the Cpl. Guntur as appears by the tenures & old map of the village. One Melanagayy Puthabaramin & purchased it again in 1847 from the said Puthabaramin for papers 402-8 & sold the entire village to the persons of 1016 in 1847 & 1848 as shown above. Transaction proved blue bond - Enjoyment proved - (vide next case).
