

Register B. 12 00 Pinnarayal 0 7 10 00 00

II. Purse of Papers 5-3-10 entered in the Account of 1721 is adopted in the settlement under the real

Plantanoirel.

III. No. 1. About the brousses of this village on the bank of the Nany's Vakeel. The brousses now inserted in the new aculeated and correspond to those in the Account of 1766. Hence the brousses are confirmed here of the 139. An extract thereon are registered here -

It is a good stream - The Tank is filled annually -

correspond to those in the Account of 1826-6 - Hence the bottom is
IV - Wet land is the large depend upon one Tunk - It is no repair - It is fed by a single Stream - The Tunk is filled annually -
Scarcity of Water is not felt generally - The Furmen & Kheel say that 77% of the 470 lbs of Dry are being full water annually -
The remaining lands are lying waste since the last 20 years & that these lands are fit to be full water if the Tunk is improved - 8 farms are
In examining the bottom of the contiguous Village, the Furmen asserted that 67 lbs of Dry are being full water annually & 20 ft odd being also
are lying waste - It is proved that the matter of Wet waste also has been exaggerated - The Rangis Kheel just shakes his head to the statement of the Furmen
(This need not be)
