Sheet No 547

Nemmenyendal, Vettakáranendal & Settiyendal

I These are the 3 Villages in the Zemindary of Sivaganga - They were granted for the support of the Pagoda of Sri Swarna Swamy's Temple in Nemmeni - This is a permanent grant - No Potta - The Temple is very old - The boundaries of the Village are not recorded in any of the accounts nor the Trustees have any documents to show the proper boundaries of the Villages - Hence the area of 39 Acres 30 cents is accepted here - The Ranjo Vakeel objects to registering here the excess on the ground that the Village has no recorded boundaries - This argument seems the just one - In the Estimate Account for Pongal of Rupees 775-9-8 is entered in lump for this Temple & price of rice - In the account of Fasli 1223, a sum of Rupees 78 97 is entered for this Temple - Now since long, a sum of Rupees 112-8-9 is entered for this Temple - The increase in Pongal is not made for the excess - The increased Pongal is paid since the last 60 years -

II The Temple is under the management of the Trustees since long - The Ranjo Vakeel says that the management of the Temple is not under the Zemindar since the time of the Estimate -
