This is one of the Darmaenams in the zemindary of Sivaganga. This was granted by the zemindar of 1811 to the person of 18 for maintenance. This is a hereditary grant. This is in uninterrupted possession of its holders since the date of the grant. This has no Patta. It was lost. The Village is supported by all the accounts of 1812. No talk over about the area or about the boundaries on the part of the Rang's Patta.

The boundaries correspond to those in the account of 1812. Hence the area of 82 acres & 6 futs is confirmed here. This Village consists of 20 equal Vethis which are enjoyed as shown in the margin. The lands were divided 30 years ago & they were not exchanged subsequently though the former practice of the Village was to exchange the Cads once in 7 years.

Pompe is paid on the number of Vethis equally & permanently. The persons of 2, 3 & 4 of 18 are any that they are descendants of the Ogle. Grantee & failed to describe their relationship with him in genealogical tree. However they may be said standing shareholders in the Village as the of their grand father granted of 1815. The ancestors of the persons of 18 to 18 purchased some of their lands in 1807, 1829, 1837, 1840 & 1841. For paper 343-42 from one Ruffayen, Ramadabayan, Thawapadyayan & shareholders in the Village. The bills are on paper Cadin Cams. The person of 18 of 18 is a standing shareholder in the Village. The person of 6 of 18 never appeared though repeated summonses were issued to him. The Mahajamams say that these 2 1/2 Vethis entire opposite to his name are in his possession of the family of the person of 6 of 18 since long. The person of 7 of 18 pleads that her ancestors purchased her lands long ago & that bills of sales were lost. (This must be)
