

உறுதிபாதி - சிறுமொழி

II. The average income of the Village is 70 Rupees per annum. ~~Revenue~~ as per statement of the Range Valuer. This is not true - I raise it to Rupees 150 with reference to the fertility of soil &c. These two Villages are contiguous to each other - As the area of these two Villages ~~is~~ given on lump, they are brought on one & the same Register -
